Test procedure specification identifier: 20160525-ChanHsinjung-TPS-9

Purpose: Negative: Update the Zip/Postal Code field with 5 characters, using a combination of digits and invalid symbols => error message

Special requirements: N/A

Procedure steps:

1. Go to https://resumesmarts.com/.

2. Log in your account.

3. Click on the preferences icon (setting icon) next to the door icon at the upper right corner.

4. Click on the green EDIT button.

5. Enter "Cupertino" in the City field, and "CA" in the State field.

6. Enter the Zip/Postal Code field with **95@!4**.

7. Enter Confirm Email exactly the same as your Email.

8. Click on the green UPDATE button.

EXPECTED RESULTS:

An error message should point out that the input value includes invalid symbols.
